

Making Giving Meaningful — Together

At Reed & Sons Jewelers, we're proud to support the Sedalia community that has supported our family business for five generations. While we wish we could say yes to every cause, we receive far more requests than we can fulfill. To ensure our donations make the greatest impact, we thoughtfully plan our charitable giving at the beginning of each year.

Please note: To be considered for a donation, this form must be submitted no later than **March 31st**.

Requests received after this deadline will not be eligible for consideration, as our giving budget will already be allocated.

Organization Name:

Event Name (if applicable):

Date of Event:

Contact Name:

Phone Number:

Email Address:
